Registration Terms

1. **YES** – I request that payment of authorized Medicare or other insurance carrier benefits be made either to me or on my behalf to the Black Hills Regional Eye Institute, Eye Surgery Center, or Anesthesia Services for any services furnished by the physicians at the Institute. I authorize any holder of medical information about me to release to the Health Care Finance Administration (Medicare) or any other insurance carrier that I have contracted with, or their agents, any information needed to determine those benefits or the benefits payable for related services. I have received a copy of the Notice of Medical Information Privacy Rights (above) for the Black Hills Regional Eye Institute, LLP, Black Hills Regional Eye Surgery Center, LLC, and Black Hills Regional Refractive Eye Surgery Center, LLC.
2. **Yes** – If I am insured by Medicare, I understand that Medicare does not pay for “non-covered” and “not medically necessary services” and that I am responsible to pay for these services. Specifically, Medicare considers refraction (measurement for glasses prescription) a “non-covered” service, and I will be responsible for payment.
3. **Yes** – I hereby authorize the release of any information, including medical and billing information, by Black Hills Regional Eye Institute, to my referring doctor, insurance company responsible party named above, immediate family and specific individuals, on my behalf of myself, dependents and/or/patient.
4. **Yes** – I certify that a copy of the practice’s Notice of Medical Information Privacy Rights has been made available to me.
5. **Yes** – I certify that I have received a copy of the practice’s Financial Policy.
